EXPLANATION

34 The inclusion of this explanation does not constitute agreement with
35 the explanation's substance by the members of the general assembly.

1 This bill modifies the earliest possible start date of the
2 school calendar for school districts and accredited nonpublic
3 schools. Current law provides that the school calendar for
4 school districts and accredited nonpublic schools shall begin
5 no sooner than August 23. The bill modifies this provision
6 to provide that the school calendar shall, instead, begin no
7 sooner than August 25, but if August 25 is a weekday other than
8 Monday, no sooner than the Monday immediately preceding August
9 25.
